DATE: June 20, 2012

TO: Transportation Commissioners

FROM: Debra Perkins-Smith, DTD Director

SUBJECT: Tiering Presentation – June 2012

This presentation concludes our current series of discussions on tiering. The workshop series included the following topics:

December 2011 Workshop: Background on tiering; experience in other states; potential reauthorization impacts.

January 2012 Workshop: History of tiering at CDOT and current practices.

March 2012 Workshop: Analysis of potential factors for tiers and potential tiering groups.

June 2012 Workshop: Analysis of spending on roads by tier, results of the expenditures, and overall conclusions from the tiering analyses and discussions.

At the conclusion of today's workshop, we will discuss next steps and how to incorporate this information into other Department initiatives and the Statewide Long-Range Transportation Plan process.
